

Congressman Bright's Memorial Day District Work Period Schedule

MONTGOMERY, AL - Congressman Bright will be across the district over the Memorial Day District Work Period, attending veterans events on Monday and attending or hosting several health care events later in the week, including a summit with Alabama leaders and experts in health care. Additionally, he will be touring several medical facilities in the district over the work period. He is focusing on health care reform and its affect on Alabama as Congress prepares to address the issue.

Below is his tentative district schedule. All times are central.
